## Are You Eligible For The Safe Babies, Safe Moms Program?

- ☑ You are over the age of 18;
- ☑ You are pregnant OR have a child under the age of 3;
- ☑ You have a recent history of alcohol and/or drug abuse; and
- ☑ You OR your child have a medical coupon.

Women who join Safe Babies, Safe Moms will have a case manager that works closely with them until their youngest child turns 3 years old. Case Managers help access resources and services women need to help make a better life for them and their families.

If you would like more information about the Safe Babies, Safe Moms program, please call:

Shelley Little, R.N., B.S.N.  
Safe Babies, Safe Moms Program Supervisor
